Sub.-: Appointment of personnel, who were not considered for allocation under the Reorganization Act because of their entry into Govt. Service after the appointed day.

Sir,

I am directed to say that a case of six Excise Inspectors of the Excise Deptt., Namely, S/Sh. Sarv Singh Chauhan, Kalyan Singh, Amar Singh Bounal, Devendra Singh Rawat, Ramesh Ram and Sanjay Kumar, have come to the notice of the Central Government, who were recruited for a recruitment period prior to the appointed day i.e. 09.11.2000, but were not allocated under the Reorganization Act because they were appointed into service after the appointed day. On their initial appointment, they were posted in Uttarakhand as per their option and domicile. However, the Govt. of Uttarakhand relieved them for UP on the assumption that since they have not been finally allocated to Uttarakhand by the Central Govt., they are deemed to be allocated to UP. Consequently, they joined in UP and are working there at present. However, these Excise Inspectors have represented for revision of allocation to Uttarakhand. Since these employees were validly appointed to Uttarakhand as per their option and domicile, their relieving for UP is not in order. The Govt. of Uttarakhand may, therefore, cancel the relieving order so that they could be repatriated to Uttarakhand by UP in terms of their appointment in the State.

2. It has also been decided that in all similar cases where the employees were recruited for recruitment years prior to the appointed day but were not finally allocated in terms of the Reorganization Act because of their entry into service after the appointed day, these employees shall be considered to be validly appointed to the State of their appointment on option or

domicile basis and are not to be relieved by the successor States of UP or Uttarakhand assuming them to be allocated under the Reorganization Act.

This issues with the approval of Secretary (P).

Yours faithfully,

(Mona Singh)
Director
