- b) In respect of the Two Bid systems, the technical Bids forwarded by the Bidders will be evaluated by the Buyer with reference to the technical characteristics of the equipment as mentioned in the RFP. The compliance of Technical Bids would be determined on the basis of the parameters specified in the RFP. The price bids of only those bidders will be opened whose technical evaluation is favorable.

If there is a discrepancy between words and figures, the amount in words will prevail for calculation of price.
- e) The lowest acceptable Bid will be considered further for placement of contract/supply order after complete clarification and price negotiations as decided by the buyer. The buyer will have the right to award contracts to different bidders for being lowest in particular items.
