Dear Shri Shantanu Consul,

As you are aware, Bharatiya Vidya Bhavan is an institution of national eminence established in 1938 by Kulapati K.M.Munshi. We have more than 100 centres in India. We have also a large computer education programme in the country providing free education for students coming from economically weaker section of the society. This programme provides for training leading to employment. Recently Hon'ble Prime Minister has sanctioned a grant of Rs. 10 crores for setting up free computer education centres in the North East and tribal areas. Shri Ashok Pradhan, former Secretary to GOI is the in-charge of the above programme

To strengthen and further accelerate our programmes we are on the look out of a suitable retired Section Officers/Dy. Secretary from GOI. It has been our policy to look for committed persons who can energetically implement our computer education programme. He should be ready to work on modest consolidated emoluments as per Bhavan's policy and willing to devote himself to social and educational causes.

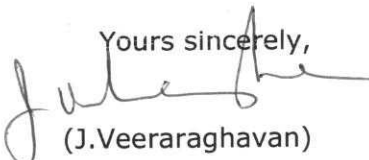

We need your assistance in identifying such a person who is hard working, committed to Bhavan's ideals and is a person of high integrity. It would be useful if such a person has financial background as well so that he could also supervise the accounts of the project.

We are also looking for a retired person at assistant level well conversant with rules and regulations. Since Bhavan's Delhi Kendra is following provisions of Delhi School Education Act & Rules thereon and also generally applying govt. rules in regard to pay bands, perquisites and other service conditions, a retired assistant with the above background would be most suitable if he is willing to work with modest emoluments.

We also need persons with stenographic and computer skills who will work with commitment and accept modest emoluments.

We know the pressures on your time but seek your help in identifying suitable retired employees

With regards.

Yours sincerely,

(J.Veeraraghavan)
