**OFFICE MEMORANDUM**

Subject :- Final Common Seniority List (Part) of Steno Grade 'C' of CSSS – Select List Years 1995-2003 as on 1-7-2010 - reg

The undersigned is directed to refer to this Department' s OM of even number dated 29.10.2010 and to say that the Common Seniority List (Part) of Steno Gr. C for the Select List Years 1995,1996, 1999 to 2002 has been prepared in accordance with Regulation 3(3) of the Central Secretariat Stenographers Service ( Preparation of Common seniority list) regulation 1971 read with Ruls7 (2) (e) and Rule 12 of CSSS Rules 1969, by following the principle enumerated below:-

“Subject to their inter se seniority in their respective cadre being maintained, the names of those officers appointed to the grade as direct recruits on the basis of competitive examination shall be arranged according to their order of merit in the competitive examination, persons appointed from an earlier examination being placed above those appointed from a later examination. In this combined list of direct recruits, names of persons regularly appointed to the grade from the select lists for that grade shall be arranged by placing each such officer immediately above the senior most direct recruit who is junior to him in his cadre. The promotee Grade 'C' Stenos, who do not find a place in the Common Seniority List because of the absence of the direct recruits belonging to a particular year shall be placed en-bloc at the bottom of the Common Seniority List pertaining to that year, below the last direct recruit, on the basis of the date of their regular appointment in that grade without disturbing their inter-se position”.

2. In this context, it is also brought to the notice of all concerned that direct recruitment to Steno Grade 'C' for the years 1997, 1998 and 2003 was not held and the vacancies in these years were filled up through Departmental Examination quota and Seniority Quota. Therefore, the CSL for these Select List Years has been prepared by adopting the following principle: -

“Subject to their inter-se seniority in their respective cadres, Limited Departmental Competitive Examination (LDCE) candidates ( i.e. Steno Grade 'C') of the Select List Year shall be arranged in a single list in the order of their merit and Steno Grade 'C' of Seniority Quota appointees of the Select List year are interpolated with them. In case there is no LDCE candidate in a particular cadre or Select List Year or where there is no LDCE candidate, below a promotee against Seniority Quota, all such promotees against Seniority Quota shall be arranged on the basis of length of service maintaining their inter-se cadre seniority intact”.

3. Some of the Cadres have forwarded representations which relate to corrections regarding names and date of birth of Steno Grade C and the same have been examined and corrections have been carried out in the Common Seniority list. On the basis of the information received from Cadres units, individuals and also on re-verifying the seniority lists of the cadres, order of placement of some of the officials has been revised. Some representations have also been received from individuals regarding their juniors in Steno Gr. 'D' becoming senior to them in the Common Seniority List of Steno Gr. 'C'. The matter has been examined and it is stated that both the Grades are decentralized and as such the seniority in Steno Grade 'D' has no relevance while preparing the

Common Seniority List of Steno Grade 'C' as the Common Seniority List has been prepared on the basis of Cadre Seniority of Steno Grade 'C' by following the principle as mentioned in para 1 & 2 above. Hence no merit was found in those representations. As such, all the representations received this regard stand disposed off accordingly.

4. Accordingly, the Common Seniority List (Part) of Steno Grade 'C' for the Select List Years 1995-2003 as on 1-7-2010 has been finalized and it may be seen/downloaded from the website of the Ministry i.e. :-
