ORDER

...

A Committee on Cadre Restructuring of Central Secretariat Service (CSS) was constituted in April, 2013. The report of the Committee was approved by the Government and the following decisions were taken:

- i. Creation of posts as under:
 - (a) 150 posts in the grade of Deputy Secretary in the Central Secretariat-75 posts each for Central Secretariat Service (CSS) and Central Staffing Scheme (CStS); As a one-time measure, 75 posts recommended for Central Staffing Scheme may also be filled by CSS officers and these posts would revert to CStS in two tranches.
 - (b) 232 posts in the grade of Under Secretary in CSS on Desk pattern;
 - (c) 463 posts in the grade of Section Officer in CSS on Desk pattern.

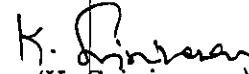

These posts recommended to be created represent only a ceiling which is considered sufficient for the next 10 years and would actually be operationalised on receipt of proposals from Departments and on their examination by a Committee of Joint Secretaries of DoPT and Department of Expenditure.

The posts created at Section Officer and Under Secretary levels are to be operated on Desk pattern. Operating the posts on Desk pattern does not require conventional sections and much supporting staff.

2. As a follow-up action, proposals were invited from all cadre units in CSS for allocation of these newly created posts and these proposals were examined by the Committee.

3. Approval of competent authority is, now, accorded to allocation of posts to various cadre units in CSS in the grades of Section Officer/Under Secretary and Deputy Secretary, as per statement annexed.

4. The operationalisation of these posts would come into effect from 11.09.2018. The vacancies arising out of creation of these posts, in the grade of DS/US and SO will be included in the Select List-2018. The posts would be filled up as per CSS Rules, 2009 and Regulations framed thereunder.
