14th November 2014.

As you are aware, the Central Secretariat Service (CSS) is one of the earliest organized services in the country and is an important constituent of the Central Government machinery. Officers of the service provide a strong and permanent set up of middle level functionaries to the Government of India. They have been contributing ably in policy formulation, its execution and review.

2. The CSS Officers at middle level perform the function of coordinating opinions and ideas to present a balanced picture. There are about 2200 Group A officers in the service in the following designations:

| <u>Designation</u> | <u>Pay Scale</u> | <u>Grade Pay</u> |
|--------------------|------------------|------------------|
| Under Secretary | Rs.15600-39100 | Rs.6600 |
| Deputy Secretary | Rs.15600-39100 | Rs.7600 |
| Director | Rs.37400-67000 | Rs.8700 |
| Joint Secretary | Rs.37400-67000 | Rs.10000 |

3. I understand that you have acute shortage of officers at middle level due to low intake of officers in civil services from 1992 to 2006. The State Governments may like to utilize the experience of the CSS Officers at appropriate levels on deputation basis. The arrangement will enrich the officers with the required field experience at ground level in the execution of various schemes & policies and make them understand issues in a better way which will in turn improve their capacities.

4. If the State Government is willing to take CSS Officers on deputation basis, it may identify the vacancies and the tenure of posting and inform this Department. This Department will circulate the vacancies among CSS Officers and nominate a panel of selected officers for deputation to State Government and you can choose the suitable officer from the panel. If there is any query, please feel free to talk to me or write to me.

Yours sincerely,
