The undersigned is directed to refer to this Ministry's Office Memorandum No. 43/1/56-Estts(2)-Part II, dated the 11th October, 1956 and subsequent clarificatory Office Memorandum No. 43/3/67-Estts(2), dated the 4th September 1967 and 11th February, 1958 and No. 43/10/58-Estts(2), dated the 11th April, 1956, on the subject noted above, and to communicate the following further clarifications and decisions for information and guidance of all concerned:

(a): Para. 16 of Office Memorandum dated the 11th October, 1956:

Leave travel concession will be admissible to the members of a Government servant's family with reference to the facts existing at the time of forward and return journeys independently. The following types of cases are given by way of illustration:

I. Entitled to reimbursement in respect of the outward journey only:

(i) A dependent son/daughter getting employment or getting married after going to home-town or remaining there for prosecution of studies.

(ii) The family having performed the journey to home-town have no intention of completing the return journey from home-town, provided the Government servant foregoes in writing the concession in respect of the return journey if performed by the family members at a subsequent date.

II. Entitled to reimbursement in respect of the return journey only:

(i) A newly married wife coming from home-town to headquarters station or a wife who has been living long at home town and did not avail herself of the leave travel concession in respect of the outward journey.

(ii) A dependent son/daughter returning with parents or coming alone from home town where he/she has been prosecuting studies or living with grand parents etc.

(iii) A child who was previously below three/twelve years of age but has completed three/twelve years of age only at the time of the return journey.

(iv) A child legally adopted by a Government servant while staying in the home-town.
(b) Para (f) of Office Memorandum dated the 11th October, 1956:

The concession will also be admissible to a Government servant and his family in respect of only the outward journey from headquarters to home-town during 'refused leave' and 'terminal leave', provided the concession had not been availed of earlier during that particular block of two calendar years. In cases of leave preparatory to retirement, refused and terminal leave, the journey by both the Government servant and his family members should, however, commence within the period of leave.

(c) Para (d) of Office Memorandum dated the 4th September, 1957:

The words 'any time from that date' occurring in the 3rd line of the sub-para to this para should read as 'any time from the 11th October, 1956'.

(d) Para (e)(14) of Office Memorandum dated the 4th September, 1957:

There is no objection to a Government servant or his family members availing themselves of concessional Circular Trip Ticket offered by the Railway authorities in conjunction with the leave travel concession.

It will also be permissible while utilising such a concessional ticket, to travel in any class, higher or lower than the entitled one.

In such cases, double the fares for 250 miles should be calculated proportionately on the basis of the concessional fare charged by the railways for the entitled or the lower class actually used and this amount deducted from the fare for the shortest route between headquarters and the home town, calculated proportionately on the basis of the concessional fare charged. The amount reimbursable to the Government servant will then be 9/10th of the balance.

2. In so far as the personnel serving in the Indian Audit & Accounts Department are concerned, these orders have been issued after consultation with the Comptroller & Auditor General.
