Subject: Placement of certain officers and office staff serving in different Ministries/Departments of the Govt. of India at the disposal of the special organising committee for IX Asian Games 1982- Treatment of the period spent by them as duty for the purpose.

The Asian Games Special Organising Committee (A.G.S.O.C) has proposed to utilize the services of a few Government servants for a short period to assist them in the organisation of the IXth Asian Games. A question has been raised as to how the services of these Govt. servants could be made available to the A.G.S.O.C and how this period could be treated. After having carefully considered the matter in consultation with the Ministry of Education and Culture, it has been decided to treat the period for which the services of such officers are to be placed with the Asian Games as duty subject to the condition that the controlling authority agree to relieve the officers/staff. In such cases the pay and other allowances of the officers would be drawn and paid by the concerned departments themselves and no substitute will be allowed to be employed in their case. The Govt. servants who are called on duty for Asian Games will not be entitled to any deputation allowance or special pay.
