OFFICE MEMORANDUM

Office: Placement of certain officers and office staff serving in different Ministries/Departments of the Govt. of India at the disposal of the Ministry of External Affairs for the Non-aligned Summit - Treatment of the period spent by them as duty for the purpose.

The Ministry of External Affairs has proposed to utilize the services of a few Government servants for a short period to assist them in the organization of the Non-aligned Summit. A question has been raised as to how the services of these Govt. servants could be made available to the Ministry of External Affairs and how this period could be treated. After having carefully considered the matter it has been decided to treat the period for which the services of such officers are to be placed with the Ministry of External Affairs as duty subject to the condition that the controlling authority agree to relieve the officers/staff. In such cases the pay and other allowances of the officers would be drawn and paid by the concerned departments themselves and 5% substitute will be allowed to be employed in their case. The Govt. servants who are called on duty for the Non-aligned Summit will not be entitled to any deputation allowance or special pay. (Hindi version will follow.)
