New Delhi, dated the 26th November, 1976.

To

The Chief Secretaries of all State Governments.

Subject: Selection Grade - All India Services - 14th Year
restriction - regulation of cases -

Sir,

I am directed to refer to the notification No. 28/7/74-AIS(II)-B, dated the 15th November, 1974 issued by this Department where in it has been provided that no member of the Indian Administrative Service shall be eligible for appointment to the Selection Grade unless he has entered the 14th year of service. A question has arisen as to how to regulate the cases of the members of the Indian Administrative Service who are serving outside their cadre and have entered the 14th year of service but cannot get the benefit of Selection Grade under the Next Below Rule because their juniors cannot be promoted to the vacancies in the Selection Grade, as they have not entered the 14th year of service, even though vacancies exist in the Selection Grade in the State Cadres.

2. The Central Government, after careful consideration, have decided that such officers may be given pay in the Selection Grade of the Indian Administrative Service with effect from the dates on which they would have been appointed to the Selection Grade in the State cadres on which they are borne on the basis of a certificate from the State Government concerned to that effect and subject to the following conditions:-

- (a) The officer concerned has been approved for appointment to the Selection Grade;
- (b) All his seniors except those regarded as unfit for appointment to the Selection Grade have been appointed to the Selection Grade; and
- (c) The number of such appointments should be restricted to the actual number of vacancies in the Selection Grade.
