Department of Personnel and Training

North Block, New Delhi-1  
Dated: 20.3.2017.

**Subject: Web Portal for Online Vigilance Status of Board and below Board Level Executives of Central Public Sector Enterprises (CPSEs)**

Madam/Sir,

As you are aware, a system of maintaining date of vigilance status of Board Level and below Board level officials has been made operational by this Department since February, 2017. Training sessions were organised by DOPT for the CVOs of Ministries/Departments and CPSEs in the month of February, 2017 and directions were issued to all CVOs to ensure entry of vigilance status of the Board and below Board Level Executives of CPSEs on the Web Portal for Online Vigilance Status of Board level and below Board level officials of CPSEs by 15<sup>th</sup> March, 2017.

2. It is intimated that the web portal is going to be launched by the end of March, 2017. Since progress of this initiative is being monitored at the highest level / PMO, high priority needs to be accorded to this task to ensure that updated vigilance status is available on the system within the scheduled timeframe.
3. The review of the status of data entry reveals that while there has been considerable progress in data up-dation of Board level functionaries, the progress w.r.t. below Board level officials needs to pick up immediately. Further, from the feedback received from the users, it is felt that some issues are arising while making the data entry.
4. In order to resolve these issues, it has been decided to hold an **open house session in Conference Room No.190, North Block, New Delhi on 24<sup>th</sup> March, 2017 between 10 A.M to 1.00 P.M.** The CVOs of Ministries/ Departments/ CPSEs or their representatives can attend the session as per their convenience between 10 A.M to 1.00 P.M on 24.03.2017, to resolve any difficulty being faced by them while feeding data on the system.
5. **It is therefore, requested that the concerned officers may attend this on scheduled date and time and expedite the data update on 'priority' so that the desired objective is achieved within the given timeframe.**
