The interns will attend court hearings and accompany the lawyers for consultations with clients. During the internship students will visit other law-related institutions and will engage in discussions with serving judges.

Students are also provided with various summer internship opportunities at Tokyo based law firms and/or large corporations. These internships provide students with the unique chance to experience international commerce and legal practice in Japan.

V Fukuoka & Kyushu University

Located in the heart of East Asia, midway between Tokyo, Shanghai and Seoul, Fukuoka is the largest city in Kyushu, the southernmost of Japan's four main islands. It is a thriving modern metropolis that has not sacrificed its unique local character and charm. Historically known as Hakata, it has long been one of Japan's key ports for commerce with the rest of Asia, and today the spirit of Hakata lives on, for the growing continental ties of recent years have enabled the city to establish itself as a major regional center.

Newsweek has named Fukuoka as one of the "Ten Most Dynamic Cities" in the world, identifying an energetic regional economy, excellent infrastructure, and the proximity and openness to Asia as key features behind its continued growth. The Financial Times reported a survey of world cities that ranked Fukuoka as the 17th most livable city in the world, and awarded the city a special commendation for its downtown district.

Kyushu University is the largest university in Kyushu and one of the most prestigious national universities in Japan. Founded in 1911 as one of seven original Imperial Universities, it continues to be a focal point for academic and educational excellence. Graduate study in Kyushu University provides well-motivated students with the opportunity to study in a dynamic academic atmosphere and to enjoy life in one of Japan's fastest growing cities.

And yet, perhaps the most important feature of Fukuoka for the foreign resident is its people. Known throughout Japan for their friendliness, the people of Fukuoka have long enjoyed good relationships with visitors from abroad. For the foreigners living among Fukuoka's 1.7 million residents, life is both comfortable and stimulating.
