Dear Sir,

The Government of India has been organising Mid-Career Interaction between the Armed Forces and Civil Services Officers in collaboration with the Ministry of Defence for the last many year. The basic objective of these events is to increase exposure of IAS/IPS/IFoS and other civil officers to the military to meet unforeseen situations at short notice. Such interactions are likely to benefit both the Armed Forces and Civil Services officers by mutual learning from each other's strength and also by imbibing the best points of each other's work culture, ethos and customs. This, in the long run, is expected to help them to combat future challenges to national security in a better manner.

2. The Joint Civil-Military interaction course are conducted at the tactical and operational level. A detailed schedule has been worked out by the DoP&T, Training Division in consultation of Ministry of Defence for the various programmes to be conducted at the State Administrative Training Institutes and Armed Forces Organisations in various Regions of the country during 2013-14. Each State is being requested to depute officers for the training/interactions being conducted in and around it.

Since these interactions have been very carefully planned with the active involvement of various organizations, I shall be grateful if suitable officers are deputed to participate in the programme, their telephone, mobile, fax, email details are shared with the nodal officer of the event and suitable joining instructions are served to the officer concerned. In case, officers from the All India Services are not available, kindly depute officers belonging to the State Civil Services (SCS) who are working at the cutting-edge level in the districts.
