D.O.No.11011/11/2014-Trg(MCI)

Dear Sri Singh,

The Government of India has been organising Mid-Career Interaction between the Armed Forces and Civil Services Officers in collaboration with the Ministry of Defence for the last many year. The basic objective of these events is to increase exposure of IAS/IPS/IFoS and other civil officers to the military to meet unforeseen situations at short notice. Such interactions are likely to benefit both the Armed Forces and Civil Services officers by mutual learning from each other's strength and also by imbibing the best points of each other's work culture, ethos and customs. This, in the long run, is expected to help them to combat future challenges to national security in a better manner.
