APPENDIX 5

Detailed instructions for the maintenance of rosters (para 4.4)

1. A separate roster should be maintained in the form given in Appendix 4 for each type of recruitment and within it for each grade or service or a group of posts formed for the purpose of these orders.
2. Within each category of posts a separate roster may be maintained for (i) permanent appointments and temporary appointments likely to become permanent or continue indefinitely and (ii) purely temporary appointments.
3. Immediately after an appointment has been made the particulars of the persons appointed will be entered in the register in the appropriate columns and the entry signed by the appointing authority or by the officer authorised to do so.
4. No gap should be left in completing the roster. For example, if a reserved vacancy at, say point 25, has to be treated for want of a suitable Scheduled Caste/Scheduled Tribe candidate, as unreserved, the candidate actually appointed will be shown against that point itself. Scheduled Caste/Scheduled Tribe candidate recruited later in the year against an unreserved point will be shown against such point.
5. The roster will be maintained in the form of a running account year by year. For example, if recruitment in a year stops at point 6 of a cycle, recruitment in the following year will begin at point 7.

NOTE : With reference to instructions Nos. 3 and 4 above on the point whether the entries in the roster should be made strictly according to the dates of joining or merit etc. of the candidates even if this resulted in the names of Scheduled Castes/Tribes candidates selected against reserved vacancies being shown against unreserved points in the roster, it is clarified that it should be ensured that the names of the Scheduled Castes and Scheduled Tribes who have been selected against the reserved vacancies are shown against the respective reserved points in the roster as and when they join. In cases where a point in the roster is earmarked for recruitment of Scheduled Castes/Scheduled Tribes and necessary action to fill that vacancy by a candidate of the reserved community has already been initiated and is in progress, there would be no objection to keeping that reserved point temporarily unfilled till the reserved community candidate joins or till the reserved vacancy dereserved. This need not be treated as leaving a gap in the roster. Instruction No. 4 referred to above according to which no gap should be left in the roster would require that while notifying vacancies, only the consecutive points in the roster should be taken into account without leaving any gap. Fresh recruitment should start from the point next to the point at which the previous recruitment actually made.

[Paras 9.1, 9.2(c)]

The following instructions will apply to the filling of vacancies reserved for Scheduled Castes and Scheduled Tribes in posts filled by promotion.

- (1) (a) Scheduled Caste and Scheduled Tribe Officers who are within the normal zone of consideration should be considered for promotion along with others and adjudged on the same basis as others and those Scheduled Castes and Scheduled Tribes amongst them who are selected on that basis may be included in the general select list in addition to their being considered for separate select list for Scheduled Castes and Scheduled Tribes respectively.

(b) If candidates from Scheduled Castes and Scheduled Tribes obtain on the basis of their positions in the aforesaid general select list, less vacancies than are reserved for them, the difference should be made up by selected candidates of these communities who are in the separate select list for Scheduled Castes and Scheduled Tribes respectively.
- (2) In the separate select lists drawn up for (i) Scheduled Castes and (ii) Scheduled Tribes. Officers belonging to Scheduled Castes or Scheduled Tribes, as the case may be, will be adjudged separately amongst themselves and not along with other officers and if selected, they should be included in the concerned separate select list, irrespective of their merit as compared to other officers. It is needless to mention that officers not belonging to Scheduled Castes and Scheduled Tribes will not be considered whilst drawing up separate select list for Scheduled Castes and Scheduled Tribes. For being considered for inclusion in the aforesaid separate select lists, the zone of consideration for Scheduled Castes and Scheduled Tribes as the case may be would be of the same size as that for the general select list that is if for the general select list the zone of consideration is 5 times the number of vacancies likely to be filled, the zone of consideration for the separate list for Scheduled Castes will also be 5 times the number of reserved vacancies for them, and likewise for Scheduled Tribes subject of course to the condition that officers coming within such zone are eligible by length of service etc. as prescribed, for being considered for promotion.
- (3) If, owing to non-availability of suitable candidates belonging to Scheduled Castes or Scheduled Tribes, as the case may be, it becomes necessary to dereserve a reserved vacancy, a reference for dereservation should be made to the Department of Personnel and Training indicating whether claims of Scheduled Castes/Scheduled Tribes candidates eligible for promotion in reserved vacancies have been considered in the manner indicated in (1) and (2) above. When dereservation is agreed to by the Department of Personnel and Training the reserved vacancies can be filled by other candidates, subject to the reservations being carried forward to three subsequent recruitment years and subject to exchange of vacancies between Scheduled Castes and Scheduled Tribes in the last year to which reserved vacancies are carried forward.
- (4) Where promotions in the above manner are first made on a longterm officiating basis, confirmations should be made according to the general rule viz. that an officer who has secured earlier officiating promotion on the basis of his place in the select list should also be confirmed earlier and thus enabled to retain the advantage gained by him. Provided that he maintains an appropriate standard *vide* para. 1(iii) of the Ministry of Home Affairs office memorandum No. F. 1/1/55-RPS, dated the 17th February, 1955. But the principle of reservations would not apply again at the time of confirmation of promotees.

APPENDIX 15

List of points for guidance of the authorities empowered to issue Scheduled Castes and Scheduled Tribes certificates (Ministry of Home Affairs circular letter No. 35/1/72-RU) (SCT V) dt. 2-5-1975

(Para 12-2)

(1) **General (Applicable in all cases):**

Where a person claims to belong to a Scheduled Caste or a Scheduled Tribe by birth it should be verified:—

- (i) that the person and his parents actually belong to the community claimed;
- (ii) that this community is included in the Presidential Orders specifying the Scheduled Castes and Scheduled Tribes in relation to the concerned State;
- (iii) that the person belongs to that State and to the area within that State in respect of which the community has been Scheduled;
- (iv) if the person claims to be a Scheduled Caste, he should profess either the Hindu or the Sikh religion;
- (v) if the person claims to be a Scheduled Tribe, he may profess any religion.

(2) **Cases of migration :**

(i) Where a person migrates from the portion of the State in respect of which his community is scheduled to another part of the same State in respect of which his community is not scheduled, he will continue to be deemed to be a member of the Scheduled Caste or the Scheduled Tribe, as the case may be, in relation to that State;

(ii) where a person migrates from one state to another he can claim to belong to a Scheduled Caste or a Scheduled Tribe only in relation to the State to which he originally belonged and not in respect of the State to which he has migrated.

(3) **Claims through marriages :**

The guiding principle is that no person who was not a Scheduled Caste or a Scheduled Tribe by birth will be deemed to be a member of a Scheduled Caste or a Scheduled Tribe merely because he or she married a person belonging to a Scheduled Caste or a Scheduled Tribe.

Similarly a person who is a member of a Scheduled Caste or a Scheduled Tribe would continue to be a member of that Scheduled Caste or Scheduled Tribe as the case may be, even after his or her marriage with a person who does not belong to a Scheduled Caste or a Scheduled Tribe.

(4) **Cases of conversion and reconversion :**

(i) Where a Scheduled Caste person gets converted to a religion other than Hinduism or Sikhism and then reconverts himself back to Hinduism or Sikhism, he will be deemed to have reverted to his original Scheduled Caste, if he is accepted by the members of that particular caste as one among them.

(ii) In the case of a descendent of a Scheduled Caste convert, the mere fact of conversion to Hinduism or Sikhism will not be sufficient to entitle him to be regarded as a member of the Scheduled Caste to which his fore-fathers belonged. It will have to be established that such a convert has been accepted by the members of the caste claimed as one among themselves and thus become a member of that caste.

(5) **Cases of adoption :**

Great care has to be exercised in dealing with cases where a person claims to be Scheduled Caste on the ground that he has been adopted by a Scheduled Caste person. The validity of the adoption has to be clearly established before any caste certificate can be given. It is for the party to prove his claim by cogent and reliable evidence.

- (i) The requirements of valid adoption are given in sections 6 to 11 of the Hindu Adoptions and Maintenance Act, 1956. The actual giving and taking of the child in adoption is a mandatory requirement and thereafter the adopted child is deemed to be the child of his or her adoptive father or mother for all purposes and the child severs all ties with the family of his or her birth. Ordinarily, no child who has attained the age of 15 years or who is married can be given in adoption unless there is a custom or usage applicable to the parties.
- (ii) In deciding whether an adoption is valid, the certificate issuing authority should satisfy himself that all the requirements of Law have been complied with. He should also take into account the behaviour of the child after adoption whether he physically lives with and is supported by his adoptive parents and receives no financial help from his original parents. In case these conditions are not satisfied, the certificate should be refused.
- (iii) Where the case relates to an adoption of a married person or of a person of the age of 15 years and above, the certificate shall be required to be given by the Dist. Magistrate who shall, after making due enquiries as to the validity of the adoption and as to whether such adoption is permitted by a customs or usage applicable to the parties, make an endorsement to that effect on the certificate. Such custom or usage should have been continuously and uniformly observed for a long time and obtained the

force of law among the Hindus of that particular area, or that community group or family provided that the custom or usage is certain and not unreasonable or opposed to public policy and in the case of custom or usage in respect of a particular family, that the custom or usage has not been discontinued. In addition it should be verified that all other conditions for a valid adoption, including the physical transfer of the adopted persons to the family of the adoptive parents and that he has severed all ties with the original parents are fulfilled.

- (6) **Clarification regarding the term 'residence' for the guidance of the authorities empowered to issue Scheduled Caste and Scheduled Tribes Certificates (Ministry of Home Affairs circular letter No. BC. 12025/2/76-SCT.I, dated 22-3-77).**

As required under Articles 341 and 342 of the Constitution, the President has, with respect to every State and Union Territory and where it is State after consultation with the Governor of the concerned State, issued orders notifying various Castes and Tribes as Scheduled Castes and Scheduled Tribes in relation to that State or Union Territory from time to time. The inter-State area restrictions have been deliberately imposed so that the people belonging to the specific community residing in a specific area, which has been assessed to qualify for the Scheduled Castes or Scheduled Tribes status, only benefit from the facilities provided for them. Since the people belonging to the same caste but living in different States, Union Territories may not necessarily suffer from the same disabilities, it is possible that two persons belonging to the same caste but residing in different States/UTs may not both be treated to belong to Scheduled Caste/Tribe or *vice-versa*. Thus the residence of a particular persons in a particular locality assumes a special significance. This residence has not to be understood in the literal or ordinary sense of the word. On the other hand it connotes the permanent residence of a person on the date of the notification of the Presidential Order scheduled his caste/tribe in relation to that locality. Thus a person who is temporarily away from his permanent place of abode at the time of the notification of the Presidential Order applicable in his case, say, for example, to earn a living or seek education, etc., can also be regarded as a Scheduled Caste or a Scheduled Tribe, as the case may be, if his caste/tribe has been specified in that Order in relation to his State/UTs. But he cannot be treated as such in relation to the place of his temporary residence notwithstanding the fact that the name of his caste/tribe has been scheduled in respect of that area in any Presidential Order.

It is to ensure the veracity of this permanent residence of a person and that of the caste/tribe to which he claims to belong that the Government of India has made a special provision in the proforma prescribed for the issue of such certificate. In order that the certificates are issued to the deserving persons it is necessary that proper verification based primarily on revenue records and if need be, through reliable enquiries, is made before such certificates are issued. As it is only the Revenue Authorities who, besides having access to the relevant revenue records are in a position to make reliable enquiries. Government of India insists upon the production of certificates, from such authorities only. In order to be competent to issue such certificate therefore the authority mentioned in Appendix 15 of this Brochure should be the one concerned with the locality in which the person applying for the certificate had his place of permanent abode at the time of the notification of the relevant Presidential Order. Thus the Revenue Authority of one District would not be competent to issue such a certificate in respect of persons belonging to another district. Nor can such an authority of one State/UT issue such certificate in respect of persons whose place of permanent residence at the time of the notification of a particular Presidential Order, has been in a different State/Union Territory. In the case of persons born after the date of notification of the relevant Presidential Order, the place of residence for the purpose of acquiring Scheduled Castes or Scheduled Tribes status, is the place of permanent abode of their parents at the time of the notification of the Presidential Order under which they claim to belong to such a caste/tribe.

For instance, if the figure mentioned in col. 6(i)(c) includes reservations brought forward from recruitment years 1975 and 1976, then reservation brought forward from 1975 would be utilised first before utilising reservations brought forward from 1976 and current reservations. Further, the instructions contained in the MHA's O.M. No. 27/25/68-Estt. (SCT) dated 25-3-1970 and this Department's O.M. No. 36013/2/79-Estt. (SCT) dated 2-4-1979 may be kept in view for appointment of candidates against exchangeable vacancies.
2. Reservation can exceed 50% of vacancies in any recruitment only SCs/STs are under-represented in the cadre/grade concerned.

8. In the case of promotions on the basis of seniority subject to fitness. [*vide* Department of Personnel & A.R. O.M. No. 27/2/71-Estt. (SCT) dated 27-11-72].

SC	ST

8.2 Number of SC/ST candidates considered fit for promotion.

8.3 Number of SC/ST candidates considered *not* fit for promotion.

8.4 If sufficient number of SC/ST candidates were not eligible for promotion the date on which the senior-most SC/ST candidate in the grade will become eligible for promotion.

8.5 If so, why the post cannot be filled till SC/ST becomes eligible for promotion (*vide* O.M. dt. 8-2-91)

9. *In the case of promotion by selection in Group C (Cl. III) and Group D (Cl. IV) Posts* [*vide* MHA's O. M. No. 1/12/67-Estt. (C) dated 11-7-1968].

According to the Constitution (Scheduled Castes) Order, 1950 as amended, only Dewar community has been specified as a Scheduled Caste throughout Orissa State. But in view of the judgement delivered by the High Court of Orissa in the case of Narayan Behra Vs. State of Orissa *Dhibara, Keuta, Kaibarta* have to be treated as synonymous names of 'Dewar' community which has already been specified as Scheduled Caste in relation to Orissa State. The formal inclusion of these names in the list of Scheduled Castes can be done only when a legislation is enacted by Parliament in this respect.

The Scheduled Castes certificates to the eligible persons will be valid only if they are issued in the relevant name of the community entered in the Presidential Order, i.e. 'Dewar'. Before issuing such certificates it has also to be verified that the persons belonging to these communities fulfil all other conditions of eligibility set out in the Presidential Orders e.g. that the person should be a resident of the locality specified in relation to the respective Scheduled Castes from the date of notification of the Presidential Order etc.
