

FOREWORD ✓

Since the publication of the Seventh Edition of the Brochure in 1987, a number of office Memorandum regarding Reservation for Scheduled Castes and Scheduled Tribes were issued. As such, a need was felt for an updated Brochure which incorporated all the instructions issued on the subject during the last six years.

The most significant change was effected on when the Reservation Roster in respect of Direct Recruitment underwent a change, as a result of the implementation of the Mandal Commission Recommendations for providing 27% reservation to Other Backward Classes.

The orders issued for the implementation of the Reservation for Other Backward Classes have also been appended to Part III of the Brochure. These include orders issued uptill 31-12-1993.

Due care has been taken to see that the eighth edition is free from any errors. However, in spite of this, if any error is detected it may kindly be brought to the notice of the Department of Personnel and Training (SCT Section) for rectification.
