OFFICE MEMORANDUM

Subject: Incumbency position as well as Web Based Cadre Management System (CSCMS) in respect of CSS officers in the grades of Deputy Secretary/ Director/ Joint Secretary (in-situ) in various Ministries/Departments/other organisations – Updation thereof – reg.

It may be appreciated that up-to-date data is an essential requirement for cadre management of any service. However, it is frequently observed that relevant details in respect of several CSS officers in the Deputy Secretary/Director/Joint Secretary (in-situ) grades remain to be updated in the web-based cadre management system hosted at cscms.nic.in, despite request made for the purpose, time and again. The prime objective of the web-based system is to ensure accurate and real-time data of all the officers to facilitate prompt and appropriate decisions relating to cadre management function. The purpose of the system is defeated unless and until the requisite data is regularly updated.

2. Being the Cadre controlling authority, this Division assiduously maintains the incumbency position of the above-mentioned grade officers in various Ministries/Departments/other organisations. Despite the best of efforts made for frequent updation, mismatch is at times observed in the details/data available with this Division *vis-à-vis* certain factual details/data maintained by Ministries/Departments/other organisations concerned.

3. The incumbency position in respect of CSS officers in the DS/Director/JS (in situ) grades in different cadre units (as on 01.04.2021) is, therefore, shared herewith so as to facilitate bringing variance in data/details, if any, to the notice of this Division for requisite updation. All the cadre units are requested to ensure simultaneous updation of the relevant data/details in the web-based cadre management system. In case no such variance is observed in the data/details shared herewith, a word of confirmation to this effect may also be communicated.

4. All the officers concerned whose names figure in the annexed document, are also requested to go through it. In case there is any discrepancy pertaining to their details, the same may brought to the notice of the Nodal Officer in the Ministry/Department/organization concerned for carrying out requisite updation in CSCMS portal besides conveying the factual position to this Division with due verification.

5. It is requested to forward the updated data/details to this Department through e.mail addressed to rajeev.nayan@nic.in and a copy endorsed to uscs.1d-dopt@gov.in, at the earliest and latest by 12th April 2021.
