OFFICE MEMORANDUM

Subject:- Forwarding of application of Government servants -
in response to advertisements by UPSC for competition.

The undersigned is directed to refer to this Department's O.M. No. 8/20/77-Estt. (C), dated the 16th October, 1971, wherein it was provided that both quasi-permanent/permanent, scientific and technical and non-scientific and non-technical Government employees may be given four opportunities in a year to apply in response to UPSC advertisements or notices of Government departments/Public Sector Undertakings/Autonomous Bodies except where withholding of any such application is considered by the competent authority concerned as justified in the public interest. It was laid down that application of Government servants forwarded in response to UPSC advertisements for competitive examinations/Limited Departmental Examinations should not be counted against the prescribed limit of four opportunities.

2. The matter has been further examined and it has now been decided that for the purpose of forwarding of applications of Government employees in response to aforesaid advertisements/notices, no distinction should be made between UPSC advertisements for selection through a competitive examination/limited departmental examination and for other UPSC selections. In other words, where Government servants apply for posts in response to UPSC advertisements, it shall not be counted against the four opportunities referred to in para 1 above.
