Subject : Service conditions of AIS officers working in North-East –
Post Retirement Housing regarding

Sir,

I am directed to state that the Central Government, after detailed deliberations on the recommendation of the Smt. Vineeta Rai Committee Report on service conditions of AIS officers working in North-East, has decided that –

- (a) AIS officers borne on the Assam–Meghalaya, Manipur–Tripura, Nagaland and Sikkim Cadres but not belonging to the North East will be asked to give a choice of three states/cities where they would like to settle down after retirement. These choices will be informed to the concerned states by the State in which the officer is borne with endorsement of a copy to the officer concerned.
 - (b) The officers borne in these cadres, as specified should be treated at par, for post retirement housing, with the AIS officers of the state cadres for which they have given their choices in the matter of allotment of houses/sites in such cadres.
2. These measures have been proposed as members of All India Services of these States are handicapped in acquiring residence in the States of their domicile after their retirement.
 3. All State Governments/UTs are requested that the above measures should be implemented in toto.
 4. This may please be brought to the notice of all the concerned AIS officers.

Yours faithfully,
