Having obtained IB report, a proposal was put up for consideration of the Government. The Government approved inter cadre deputation from Manipur- Tripura cadre to Madhya Pradesh cadre for a period for 3 years. The Committee was further informed that Shri Meena had filed OA before CAT Jabalpur Bench contending that he had applied for change of cadre and therefore approval of inter cadre deputation by the Government is not correct. The Hon'ble Tribunal vide its Order dated 01.10.2013, has disposed off, the OA with the following directions:-

" To examine the request of the applicant for his inter cadre transfer from his parent state of Manipur- Tripura to the state of Madhya Pradesh, and take a decision, if not already decided, as per policy of change of cadre of All India Service Officers, and pass appropriate orders expeditiously and till then the applicant may be permitted to continue on deputation in the cadre of state of Madhya Pradesh."

The Committee was informed that earlier the case was put up before the Committee in its meeting held on 18.12.2014 and then Committee had observed that IB Report as well as Government of Meghalaya (parent cadre) had not confirmed the claim of the officer for threat perception. Accordingly, the Committee had not recommended his case for change of cadre. The Committee was further informed that now the officer has requested again to get the threat perception re-assessed and pending decision on change of cadre as interim relief he may be considered for inter cadre deputation. The Committee reiterated its earlier decision not to recommend his case for change of cadre. Also the Committee decided not to recommend the case of the officer for

inter cadre deputation as the officer has not completed required 9 years of service in his parent cadre and directed to incorporate the case in the quarterly report to be submitted to ACC and the officer to be informed about the above decision. In case the officer applies for central deputation, the same may be considered.

However, the order of preference for states given by the officer is Rajasthan, Madhya Pradesh and Haryana. Accordingly, comments of only State Government of Haryana have been sought. The Committee was also informed that in other cases of cadre change on the basis of PH policy dated 14.02.2014, where the home state of the officer is Delhi, Uttarakhand has been taken as the third state closest to Delhi, in terms of distance. However, the officer had requested that Rajasthan cadre which is the closest to her home state may also be requested for NOC. The Committee decided not to seek comments of the Rajasthan Government. The Committee further directed that the draft for review of PH policy may be put up expeditiously.
